Thank you for completing your 27-28 FAFSA. Your FAFSA has been received and processed. However, you are receiving this additional notice due to one or more pending correction(s).

Your FAFSA is missing personal information. Please go back to the current year FAFSA at studentaid.gov and provide answers for the critical missing data.

Missing information could be:

- Student personal information data
- Student unaccompanied homeless youth data
- Student demographic data
- High School completion data

Please visit <https://studentaid.gov> to access your already completed 27-28 FAFSA and submit the required correction(s) accordingly. Once corrections are made, make sure you save and submit those corrections.

Our office will receive your corrected FAFSA in roughly three to five business days. Once received and processed, this need will disappear from your financial aid document list.
