

26-27 FAFSA Consent Needed

Thank you for completing your 26-27 FAFSA. Your FAFSA has been received and processed. However, you are receiving this additional notice due to one or more pending correction(s).

"You are not eligible for federal student aid because you, your spouse, and/or your parents did not provide consent to retrieve and disclose your federal tax information."

You, your spouse and/or your parents must provide consent on your FAFSA form so FSA can obtain tax return information automatically from the IRS. In addition to providing consent, you must also sign the FAFSA form before submitting the updated application.

Please visit <https://studentaid.gov> to access your already completed 26-27 FAFSA and make a correction to provide consent.

Once corrections are made, make sure you sign, save and submit those corrections.

Our office will receive your corrected FAFSA in roughly three to five business days. Once received and processed, this need will disappear from your financial aid document list.

Please feel free to contact the Office of Financial Aid at 800.292.1903, extension 8892, or verification@waldorf.edu.
