

2026-2027 Legal Name Discrepancy

There is a discrepancy between the name reflected on your Waldorf record and the name reported on your 2026-2027 FAFSA. The Department of Education matches each name and Social Security number with the Social Security Administration. Therefore, the name provided for this question on the FAFSA should match exactly to the name on your Social Security card (your legal name). You will need to take one of two following actions:

- Update your 2026-2027 FAFSA to reflect your current legal name –OR–
- Update your Waldorf record to reflect your current legal name

You may request for Waldorf to update your FAFSA by uploading your Driver's License, Social Security Card and this completed document to your Student Portal.

To update your Waldorf record, edit your "personal information" via your MyWaldorf Prospect or Student Portal. Once your request is processed, you will be contacted by the Admissions Office and/or the Office of the Registrar should further documentation be required.

Please feel free to contact the Office of Financial Aid at 800.292.1903, extension 8142, or finaidonline@waldorf.edu.
